

THE PIONEER IN PRIVATE HEALTHCARE

Assunta Hospital was founded by a group of missionary sisters from the Franciscan Missionaries of Mary (FMM) in 1954. Over and beyond its legacy of providing quality and compassionate care, it remains dedicated to a mission that values the sanctity of life and places the highest priority on treating every individual with dignity within a setting centred on warmth, comfort, professionalism and love.

WHERE HUMAN TOUCH MEETS TECHNOLOGY

Harmoniously combining human touch with constant advancements in medical technology, Assunta Hospital has served families for generations.
